

Tribevest VISA Debit Cardholder Agreement

Please read this Tribevest VISA Debit Cardholder Agreement (the “Agreement”) carefully and retain it for your future reference. This Agreement applies to all transactions resulting from the use of your Debit Card (the “Card”) through an automated teller machine (ATM), a Point-of-Sale (POS) terminal or any other use of the Card(s), whether electronic or not, which has been made available to you by Tribevest, LLC (“Program Partner”), the program partner responsible for managing the Card program, in partnership with Blue Ridge Bank, N.A. (the “Bank”), member of the Federal Deposit Insurance Corporation (“FDIC”).

Please read this Agreement carefully and keep it for your records. The agreement you make with us, and the rights and obligations we both have, are governed by and interpreted according to the Commonwealth of Virginia and federal law. This Agreement, together with other agreements or disclosures you may receive from us, such as the Tribevest Business Deposit Account Agreement (“Account Agreement”), establishes our and your rights and obligations.

When you see the words “we,” “us,” or “our” in this Agreement, it refers to the Bank, the Program Partner acting as agent for the Bank, and any of the Bank’s affiliates, successors, assignees, agents or service providers. When you see the words “you” or “your,” it refers to you, the owner of the Account, as well as your personal representatives, executors, administrators, and successors.

You authorize us to pay from your deposit account (“Account”) the total amount of any transaction originated by use of the Card. You also agree that the use of the Card described in this Agreement shall be subject to the rules, regulations and fees governing each deposit account which is accessed by such Card, including but not limited to the Bank’s right of set-off.

1 Activating the Card and Setting a PIN

1.1 Card Agreement Acceptance and Card Activation

This Card requires activation before you may use it. You may activate the Card by calling 1-833-333-0417. Your activation and use of the Card mean that you agree to the terms and conditions described in this Agreement.

If you do not want to activate the Card, you should destroy and dispose of it.

1.2 Personal Identification Number (PIN)

You will be required to select a 4-digit personal identification number (PIN) prior to using the Card for the first time. The 4-digit numerical PIN issued to you is for security purposes. The PIN represents your signature authorizing transactions made using your Card, identifies the bearer of the Card, and serves to validate and authenticate the directions given to complete the Card transactions.

YOU ARE RESPONSIBLE FOR SAFEKEEPING YOUR PIN. YOU AGREE TO TAKE ALL REASONABLE PRECAUTIONS SO NO ONE ELSE LEARNS YOUR PIN AND YOU AGREE NOT TO DISCLOSE OR OTHERWISE MAKE YOUR PIN AVAILABLE TO ANYONE NOT AUTHORIZED TO SIGN ON YOUR DEPOSIT AND/OR LOAN ACCOUNT(S).

Your PIN should NOT be written on the Card or anywhere it is available to others for use by lawful and/or unlawful means.

1.3 Permissible Uses of Your Card

You agree that you will use the Card only for business purposes and it will not be used for personal, household or family purposes.

2 Use of the Card

2.1 No Secondary Cardholders

The Card is solely for your use, and you may not request an additional card for another person. If you give anyone else access to your Card, we will treat any transaction they initiate as authorized by you, and you will be responsible for all transactions and fees that occur.

2.2 ATM and Point-of-Sale PIN Withdrawals

With your PIN, you can use your Card to obtain cash from your Account up to the amount of your Available Balance at any ATM or any Point-of-Sale ("POS") device in the United States that displays the Visa, VisaATM, Plus, Interlink, or Accel acceptance marks. Not all merchants will permit you to get cash back through their POS devices.

If you use an ATM, including a balance inquiry, you may be charged a fee by the ATM operator even if you do not complete a withdrawal. This ATM fee is a third-party fee assessed by the individual ATM operator only and is not assessed or controlled by us. This ATM fee amount will be charged to your Account in addition to any applicable fees disclosed in this Agreement or your Account Agreement.

2.3 Retail Card Purchases

You may use your Card to make purchases using your PIN at any merchant with a POS device anywhere that displays the Visa, VisaATM, Plus, Interlink, or Accel acceptance marks. You may also use your Card to make purchases without your PIN anywhere that Visa debit cards are accepted.

2.4 Split Transactions

You can instruct a merchant to charge your Card for part of a purchase and pay any remaining amount with cash or another card. This is called a "split transaction." Some merchants do not permit split transactions. If you wish to conduct a split transaction, you must tell the merchant the exact amount you would like charged to your Card. If you fail to inform the merchant you would like to complete a split transaction and you do not have sufficient available funds in your Account to cover the entire purchase amount, your Card is likely to be declined.

2.5 Card-Not-Present Transactions

You may make retail card purchases without presenting your Card by providing information from your Card, such as transactions done by internet or telephone. Conducting transactions in this way has the

same legal effect as if you used the Card itself. For security reasons, the amount or number of card-not-present transactions you are permitted to make may be limited.

2.6 Virtual Card Use

When you open an Account, you may also receive a virtual card (“Virtual Card”) represented by a 16-digit card number, a 3-digit card verification value (“CVV”) number, and an expiration date. The Virtual Card is separate from your physical Card and can be managed through the Online Banking Services (see Section 1.3 of the Account Agreement). We will issue you a replacement Virtual Card when it expires. The Virtual Card accesses the available funds in your Account to make card-not-present transactions (see Section 2.5) anywhere Visa debit cards are accepted in the same way as your physical Card. The Virtual Card can also be added to a digital wallet (see Section 2.7) in the same way as your physical Card. Your use of the Virtual Card is subject to the terms of this Agreement, including transaction limitations, to the same extent as your physical Card.

2.7 Use of the Card with Digital Wallets

A digital wallet (“Wallet”) provides another way for you to make purchases with your Card. A digital wallet is a service provided by another company (such as Apple Pay, Android Pay, Samsung Pay, etc.), that allows you to use your Card to pay for transactions where the Wallet is accepted. A Wallet may not be accepted at all places where your Card is otherwise accepted, and your Card may not be eligible for all the features and functionalities of the Wallet. Any use of your Card in or through the Wallet continues to be subject to all terms and conditions of this Agreement. We may terminate your access to or use of your Card with a Wallet at any time and for any reason, including if you violate any of the terms or conditions of this Agreement.

You can add or remove your Card from a Wallet by following the instructions provided by the Wallet provider. By doing this, you agree to allow us to share your Card information with the Wallet provider. You may be required to take additional steps to authenticate your identity before your Card is added to the Wallet. We do not charge you any additional fees for adding your Card to a Wallet or for using your Card in the Wallet. However, any fees and charges that would apply when you use your Card outside the Wallet will also apply when you use a Wallet to make purchases with your Card or otherwise access your Card. The Wallet provider and other third parties such as wireless companies or data service providers may charge you fees. The digital version of your Card in a Wallet may, in our sole discretion, be automatically updated or upgraded without notice to you.

We are not the provider of the Wallet, and we are not responsible for providing the Wallet service to you or for ensuring that your Card is compatible with any Wallet service. We are only responsible for supplying information to the Wallet provider to allow usage of your Card in the Wallet as you have requested. We are not responsible for any failure of the Wallet, any mobile device you use with the Wallet, or the inability to use the Wallet for any transaction. We are not responsible for the performance of services by any Wallet provider or any other third parties regarding any agreement you enter. We do not control the privacy and security of any of your information that may be held by the Wallet provider. Any information held by the Wallet provider is governed by the privacy policy given to you by the Wallet provider. If you have location services enabled on your mobile device, the location of your mobile device may be collected and shared by the Wallet provider in accordance with their respective data and privacy policies, including with us. If you request to add your Card to a Wallet, you authorize us to collect, transmit, store, use and share information about you, your mobile device, and your use of the Card in

accordance with our privacy policy, as amended from time to time, available at <https://www.mybrb.com/privacy-policy.html>.

TO THE MAXIMUM EXTENT PERMITTED BY LAW, UNDER NO CIRCUMSTANCES AND UNDER NO LEGAL THEORY ARE WE LIABLE FOR ANY LOSSES OR DAMAGES RESULTING FROM YOUR USE OF A WALLET, YOUR USE OF THE CARD OR VIRTUAL CARD IN CONNECTION WITH A WALLET, OR A MOBILE DEVICE.

If you use a Wallet, you should protect your Wallet and your mobile device as you would your Card. If your Wallet or mobile device is compromised, lost or stolen, you should also consider your Card lost or stolen and notify us immediately. Please see Section 7 for instructions for reporting a lost or stolen Card.

If you have any questions, disputes, or complaints about a Wallet, contact the Wallet provider using the information given to you by the provider.

2.8 Foreign Transactions

Charges from foreign merchants and financial institutions may be made in a foreign currency. We will bill you in U.S. dollars based on the exchange rate on the day we settle the transaction, plus any special currency exchanges charges that may be imposed by us, the Visa network and/or by any third-party used to complete the transaction.

The exchange rate between the transaction currency and the billing currency used for processing international transactions is a rate selected by Visa from the range of rates available in wholesale currency markets for the applicable central processing date. This rate may vary from the rate Visa itself receives, or the government-mandated rate in effect for the applicable central processing date. The conversion rate may be different from the rate in effect on the date of your transaction and the date it is posted to your Account.

Regardless of whether the transaction is made in foreign currency or in U.S. dollars, additional fees may apply to all international transactions using the Card. Please refer to our current fee schedule for more information about our fees.

2.9 Card Authorization Holds

When you use your Card to purchase goods or services or to obtain cash from a merchant, the merchant may request preauthorization (“Card Authorization”) for the transaction. If the merchant makes such a request and there are sufficient available funds in your Account, we will approve the transaction and place a temporary hold on the funds in your Account. If there are sufficient available funds in your Account, we will approve the request and reduce your Available Balance for as long as the card authorization remains on your Account.

Your Available Balance will generally be reduced by the amount of the card authorization. If you use your card at a restaurant, your Available Balance may be reduced by the amount of the card authorization plus up to an additional twenty percent (20%) of that amount, to account for potential tipping.

The card authorization will remain on your Account until the merchant sends us the final amount of the transaction and requests payment (“settlement”). In most cases, If the merchant does not request settlement, or the merchant is delayed in requesting settlement, the card authorization will

automatically be removed after three (3) days. However, for certain merchants such as hotels and rental car companies, it may take up to thirty (30) days for the card authorization to be removed.

It is important to understand that the merchant controls the timing of card authorizations or settlement. A merchant may request settlement after the card authorization has been removed from your Account. This means that if you use the funds in your Account after the card authorization has been removed and the merchant later requests settlement, your Account may become overdrawn. A merchant may also request settlement for an amount that is different than the card authorization. Therefore, it is important that you keep track of your transactions and your balance. Once we have approved a card authorization, we cannot stop the transaction and you will be responsible for repaying any negative balance that may occur.

2.10 Customized Debit Card Limits

As part of the Online Banking Services, you may be given the ability to establish customized debit card transaction limits that are lower than the limits that are otherwise applicable to POS transactions and ATM withdrawals for yourself or any secondary cardholders to help you manage and control your spending.

3 Card Limitations

There may be limits on the amount and frequency of withdrawals and deposits you can make using your Card. Please refer to the Account Agreement for any limits that may apply to your Account.

4 Returns and Refunds

Please be aware of the merchant's return policies before using your Card to make a purchase. Neither the Bank nor the Program Partner is responsible for the delivery, quality, safety, legality or any other aspect of the goods or services you purchase using your Card. If you have a problem with a purchase that you made with your Card or if you have a dispute with the merchant, you must handle it directly with the merchant. If you are entitled to a refund for any reason for goods or services obtained using your Card, you agree to accept credits to your Card for the refund and agree to the refund policy of the merchant. The amounts credited to your Card for refunds may not be available for up to five (5) days from the date the refund transaction occurs.

5 Additional Benefits from Visa and Fraud Alerts Program

Your Card may also be eligible for certain benefits provided by Visa. Even within coverage, factors beyond the control of wireless carriers may interfere with messages delivery for which the carrier is not responsible. We do not guarantee that alerts will be delivered.
